

A Course In Miracles

An exit portal from this infinitely small maze
of space and time has been opened.

The power of decision is your own.

Torun, Poland January 28–29, 2012

**The Advent Of A Great Awakening
with Rafal, Teacher of A Course In Miracles.**

Nothing beyond yourself can make you fearful or loving, because nothing is beyond you. Time and eternity are both in your mind, and will conflict until you perceive time solely as a means to regain eternity. (ACIM, Chapter 10, Introduction)

Is the war with yourself about over? Is it time to say: “Enough of this! If there is such a thing as life, it must be something else than being born, struggling, getting old and dying”? You are right. The love of God, your own eternal reality, has nothing to do with the concept you hold of yourself as the physical identity. Therefore let go and let God. Forgive and this will disappear. Through the transformation of your mind under the auspices of this Course In Miracles you will discover that you are still perfect and free as God created you.

Come and join us, just as you are.
