

# *The Advent of A Great Awakening*

IN WUSTERWITZ, GERMANY, ON APRIL 2, 3, 4, 5, 2010

“My resurrection comes again each time I lead a brother safely to the place at which the journey ends and is forgot. I am renewed each time a brother learns there is a way from misery and pain. I am reborn each time a brother's mind turns to the light in him and looks for me. I have forgotten no one. Help me now to lead you back to where the journey was begun, to make another choice with me.”

*“Yet a little while and the world will see  
you no more but I will see you.  
Because I live, you shall live also!”*

You are invited  
to the celebration of our escape  
from this place of darkness and death  
to the light of Eternal Life.

We have discovered through the unworldly masterpiece that is “A Course In Miracles” a Mind Training that is leading to the very real physical, mental and emotional transformation of ourselves, and the recognition that each of us is a whole part of the eternally creating source of all reality.

Remember, if you so choose, you can depart this world entirely. It is not death which makes this possible, but it is change of mind about the purpose of the world. If you believe it has a value as you see it now, so will it still remain for you. But if you see no value in the world as you behold it, nothing that you want to keep as yours or search for as a goal, it will depart from you. For you have not sought for illusions to replace the truth.

*Come join us and Illuminate  
Teacher, Clare, who teaches  
through her own personal  
experience, the power of  
unqualified forgiveness and  
unconditional love.*
